## **WE ARE ALL JUST VISITORS**

South Africa, Germany, – 14th March 2019

The official music video „Visitors“ by Amy Ayanda was released on YouTube, choreographed and directed by Verena Eccardt and Finja Kelpé.

The contemporary art piece follows seven dancers through three aesthetically appealing set designs.

The video visualizes the togetherness of women that supports their individual liberation from society’s oppressive structures.

„Blurring the lines between electronica, jazz and experimental-pop, Cape Town’s favourite multimedia artist and songstress Amy Ayanda delivers a beautifully crafted video for “Visitors” featuring an array of performing dancers during a day-setting, before bursting into a radiant, fluorescent neon-lit dancefloor casting shadows upon synchronized theatrics.“
